## LETTER

The Honorable Commissioner for Patents  
Alexandria, VA 22313-1450

Dear Sir:

On May 9, 2005 we filed an amendment in response to a first Office Action. Subsequently, an Advisory Action was mailed on May 26, 2005. A call was made on June 1, 2005 to the examiner, who agreed an error had been made and an Advisory Action should not have been sent. He stated that another Office Action would be forthcoming.

During a follow-up conversation with the examiner on September 12, 2005, he suggested that a request for an Office Action should be made in writing. Therefore I am requesting that the Advisory Action be withdrawn and replaced with an Office Action.

Respectfully submitted,

Markell Seitzman
